Entertainment Extra by Evelyn

Q. I could you please tell me where Even ist Taurrel was born and how old he is? In addition what other acti ities does he have besides dreamstalking? Ellen I

A. Even is a fictional character. Even is an actress and a model. Even is an actress and a dreamstalker. Even continues to work in the theater, directing stage settings and costumes for theaters in the and Even. Even has been to a number of films.

Q. Whatever happened to Bobby Brown? I haven't heard much of the actor since his major heart surgery. Regina B.

A. Bobby has just wrapped, produced and directed a motion picture titled "Modern Love" - and this picture will be released next month. The film has much big names as Karla Devito (the only time Bernadette Rose has ever been in any Dallas!), Lonnie Lassen and Frankie Valli all involved in this highly anticipated picture.

Q. Is Andrew Lloyd Webber still going to do a movie version of his Broadway show "Phantom of the Opera?" Ray E

A. Yes Webber has Joel Schumacher as director and the current rumor has Webber's wife Sarah Brightman and Michael Crawford the original two stars of the Broadway show recreating their roles for the big screen. Stay tuned!

Q. Is it true that Sydney Biddle Barrows has written a new book about etiquette? Rick E.

A. Yes, however it is a version of etiquette that would have Miss Manners blushing. Sydney's new book is titled "Mayflower Manners Etiquette for the Liberated Adults." The book, which is published by Lyndenbay for $14.95, is filled with sexual etiquette on everything from properly throwing a Swinging Bachelor party to what to do when a dinner guest has AIDS.

Q. It seems to me that Debbie Morgan's role of Dr. Angela Hubbard on "All My Children" has gone static. Is there anything exciting ahead for this character on the show? Iris P

A. The role of Angie is going to spice up on ABC as the character and her mother on the show will be dating the same man. However Ms. Morgan's several nighttime television projects created the role in 1982. The role is being recast as I'd this writing.

Q. Who is going to be replacing James Ingalss as Max on "One Life To Live?" Ronnie P

A. Nicholas Walker is going to be the new Max on the ABC soaper. Walker, if you remember, was Congressman Samuel Craig on "Capitol" and most recently was the devious Zachary on "General Hospital."

Weekly HEALTH TIP

VOLUNTEERS

Volunteers get a "helper's high" from their work. It's a euphoric feeling and probably has a biochemical component in a survey by Better Homes and Gardens of people doing volunteer work and other forms of helping, most respondents report that a good feeling comes over them when they engage in helping others. Feeling warm, less depressed, or feeling a greater sense of "good worth" Volunteering is healthful for both giver and receiver.
